TOTAL	All schemes plus ERA retrofits	£5,333,762,963	£7,980,000,000	£4,236,873,000		£17,550,635,963

* Schemes marked with an asterisk went ahead in modified form as maintenance projects, with the Smart Motorway upgrade components removed.

"HIF" refers to the Housing Investment Fund, which would have funded several projects separately from the RIS2 budget. Since they would not have counted against the RIS2 enhancements budget their costs are omitted here.
